

THE 666 TRILOGY ALIAS THE FAMILY

Introduction:

The definition of 'DETAIL' is the document -

A DETAIL REGARDING THE DEATHS OF
EVELYN GREENUP COLLEEN WALKER CLINTON- SPEEDY- DUROUX

presented to NSW Police on 22nd May 2012 and all communications to and from NSW Police. The 'DETAIL' totals approximately 200 pages. The 'DETAIL' has been before Police Commissioner Scipione since August 2012. Communication from NSW police ceased on 1 November 2013 with a correspondence from the Commander of Homicide; Detective Superintendent M Willing that declared continuation of investigations from the 'DETAILS' revelations to the solving of the Bowraville murders - **is not in the public interest**.

I anticipate that in my reach for help; advice; assistance in how best to present the all of everything within the 'DETAIL' to the general public an analysis of the 'DETAIL' would be required. I can provide such in either hard copy or USB only doing so within a direct interaction.

I am presently in the process of compiling a second Detail of incidents and actuals that have continued from January 2014 that indirectly yet critically are connected to the 'DETAIL'.

This Detail shall establish facts and truth about the downing of MH370; MH17; the Ebola outbreak; the Alex McKinnon spear tackle; the Queensland fire truck explosion; the disappearance of three year old William Tyrell; the death of Phillip Hughes and deepens the fraud allegations in cricket matches involving Australia; the AFL and the ARU.

FORWARD:

In the compiling of the 'DETAIL' I unearthed the political of the three deaths. I declare in the 'DETAIL' that I have been politically agendered for near twenty years and establish fact that I have been the core of a political ideology since the day of my birth. This ideology is a political entrapment and is dictated by the authorities within the 666 trilogy.

I began research believing that Evelyn Greenup was my daughter. The time span from Evelyn's birth; the unanswered question of was Evelyn born prematurely through to the date when I first learnt of the Bowraville deaths (mid 2007) co-inciding with the fact that I was living a transient life in the mid late 1980's has me uncertain. Interaction with the head of the Strikeforce and NSW police has done nothing to help me. The learning of the criminal façade of investigation into the three deaths and the learning that Evelyn was not murdered but sacrificed heightens my uncertainty especially when in a conscious of my political entrapment.

The 'DETAIL' lays overwhelming circumstantial and direct evidence in objective revelation that the Bowraville deaths were sacrifices. A founding is laid that the Bowraville sacrifices begun a slather for those who had belief or desire to conduct sacrificial acts of murder ; that they would be politically protected as long as they pledged allegiance into The Family.

October 4th 1990

News Corporations share price on October 4th 1990 was a low of \$6.64 and a high of \$6.68 there thus News Corp's mean share price on October 4th was \$6.66. This was the celebratory date that Rupert Murdoch acquired/merged The Daily Mirror newspaper into the Daily Telegraph. Rupert celebrated this acquisition with a full front page photo of himself and the header Sydney Unite. Page 4 is a half page photo of Noelene Hogan in Channel Nines Midday studio been interviewed by host Ray Martin. Noelene wore a top with a satanic animal sun symbol emblazoned on its front. The essence of their chat was the divorce of Noelene and Paul. Noelene's answer to how she felt towards Paul who was living in the States and what did she want Paul to do was answered with - "I want Paul to return to the fold".

The abduction of Evelyn Greenup a four year old aboriginal girl from Bowraville NSW was committed on October 4th. The body of Evelyn Greenup was found six months later on the 27th April 1991. Two other aboriginals - sixteen year old Clinton Speedy Duroux and sixteen year old Colleen Walker were also deceased in the immediate of October 1990.

Through to the present all three deaths remain unsolved.

The 'DETAIL' overwhelmingly establishes Murdoch's media acquisition/share price and the abduction of Evelyn Greenup on the same date as been simply a coincidence impossible to believe. The sacrifice of Evelyn Greenup was politically; church and indigenously sanctioned at the most upper levels of all three entities; a united sanctioned act

The 'DETAIL' outlays that the number 27 is an intrinsic number in the 666 trilogies sub ideology and that along with the number 27 there is a set of numbers that constantly resurface. The 'DETAIL' presents a photo of the Detective in charge of the Bowraville Strikeforce taken from a Sydney massage parlours 27 page website; outlays rigged NSW State Lotteries; racing syndicates and personalities grossly exploiting the sacrifice of Evelyn Greenup; a purported salmonella poisoning at a KFC outlet in Western Sydney; Court sentences and awards; the apostement scandal; the death of Margaret Thatcher; the death of a off duty NSW police officer in a purported car accident; corrupt cricket matches involving Australia and the thus far 41 deaths of Australian soldiers in Afghanistan all been conducted by authority within each of the 6's in the 666 trilogy and all symbolically connected too the Bowraville sacrifices and ideology.

The 'DETAIL' lays the extreme accusation within immense circumstantial evidence that the skull found with the skeletal remains of Evelyn Greenup may not be hers and that Evelyn's skull and or the skull of Colleen Walker are in Japan couriered by Bob Hawke's Minister for Aboriginal Affairs Gerry Leslie Hands.

Established is the wilful intent from member's of the Australian Community faction within the trilogy to imprint me into the trilogy and the united act.

The Sixes ov the trilogy are Rupert Murdoch; The Royal Family and The Catholic Church:

The 'DETAIL' explains the fundamental facts/truth ov the weather.

Profiling ov persons in each 6 can be confidently asserted in that they hold/held a philistine belief that need is to sacrifice so to attain power too the controlling ov the weather and/or have belief that they need or have the right to sacrifice in so to attain afterlife sanctity or are entrapped.

The Catholic Church: The 'Detail' establishes an overwhelming amount ov documented and circumstantial evidence that is sufficient to lay full allegation that the church was wilful in knowledge ov Evelyn Greenup's abduction and sacrifice.

The Catholic Church has for a long time essentially declared itself to be the authoritative church ov the World and all its people. Governments' ov the G20 align in this philosophy. The fact the popes strath is layered in the numbering 666 has it implausible that they are not a principle 6.

The Royal Family: While basically non authoritative the Royal Family are a dominant platform in the One World 'soft power' media propaganda. Their self title basically declares themselves to be the Royal Ruler ov The World. The institutions and governments listed hold extreme belief in this and umbrella themselves in a bourgeois commonwealth network ov finance and security.

Rupert Murdoch: Many ov those named under Rupert Murdoch are because it is generally regarded by all in media that Rupert is the King ov the One World media nexus.

The \$6.66 share price on 4th October 1990 done so to establish himself as a principle ov the 666 trilogy has Rupert guilty as a principle 6.

The persons and organisations listed promote themselves and or their product inside the One World monopolised media nexus. They believe themselves safe to be part ov a 24/7 full frontal ov conservative propaganda. They believe they control the weather. They regard people ov the modern age are short in concentration span and non cared unless an adversity directly affects them. These persons and organisations for more than a decade have not just imposed themselves and their products but their ideologies; example "Again". They agenda in the held belief that they are the controller's ov the hearts and minds ov the world's people. They believe themselves and people to be two separate entities. They not only impose but sub-openly declare their belonging to the 666 trilogy-belonging to The Family. They do literally and with world wide synchronisation ov colour code; letter and number codes done in time code within their presentations.
